* Fifteen copies of the revised report were made on 26 March 1965.

Numbered 3 of 30 thru 17 of 30. The reason that they are not numbered 1 of 17 thru 17 of 17 is that the same covers were utilized from the first report copies of which were already numbered 1 of 30 thru 30 of 30. All copies of the first report were destroyed.

on 24 May, 1965, six additional copies were reproduced by Xerox. They are numbered:

copy # 18 of 30 → To [redacted] D/D S&T for her

19 of 30 → file

20 of 30 — file
